Reginald Mitchell answers questions about healthy hair and scalp treatments!

Renowned Namasté Director Of Education, Dr. Reginald Mitchell

"The Organic Root Stimulator range is about strengthening hair from the inside out. We believe our products can do that through a combination of scientific research and conventional herbal remedies – the best of both worlds. The result is hair that is not only beautifully treated and healthy-looking, but strong and vibrant on the inside. That's the inside story and what we mean by... "Take care, stay beautiful!"

-Reginald Mitchell

Q: What can I do to make the hair that I have appear healthier, fuller and experience less breakage?

A: I recommend using...Organic Root Stimulator® Hair & Scalp Restoration System. It will aid in nourishing the hair and scalp and make sure the newly emerging hair is healthier. This system starts with Scalp Scrub™ to exfoliate the scalp. Follow with the Uplifting Shampoo™ to thoroughly cleanse the hair and continue exfoliating the scalp. Use the Hair Mayonnaise conditioner to moisturize and strengthen the hair. Fertilizing Temple Balm™ or Fertilizing Serum™ is used twice daily to help nourish the hair and scalp.

Finally, use Hair Fertilizer™, or use Carrot Oil for sensitive scalps to moisturize and nourish hair and scalp.

Q: How long does it take to see results with the ORS Hair and Scalp Restoration System?

A: Results do vary from person to person, but you should begin to see results within six to eight weeks.

Q: Does massaging help the hair?

A: While I am not a medical doctor, cosmetologists learn that hair is nourished by blood supply. Massaging is known to increase blood flow which may aid the hair's nourishment.

Q: What is a good cleansing regimen to help hair appear fuller?

A: Shampoo and condition weekly with Uplifting Shampoo and Hair Mayonnaise conditioner.

Uplifting Shampoo™ with rich Herbs and Mint. Gently stimulates & irrigates scalp.

Hair Mayonnaise with Whole Egg Protein. Helps restore and repair dry, damaged, over-processed hair.

Scalp Scrub™ with Papaya, Aloe, and Horsetail. Together they exfoliate and cleanse the scalp.

Organic Root Stimulator Fertilizing Temple Balm™

Fertilizing Temple Balm™ with 12 Herbal Extracts and Vitamins. Exfoliate and stimulate scalp while revitalizing the hair shaft.

Hair Fertilizer with Soybean Oil, Coconut Oil and Kola Nut. Conditions and helps nourish hair and scalp.

“Palmer's works. I'm the proof.”

My dry, brittle hair used to make me look 10 years older. Palmer's revitalized my hair and keeps everyone guessing my age.

- Kelly B.

- Dry, damaged hair needs the antioxidant power of Certified Organic Extra Virgin Olive Oil.
- Palmer's Olive Oil Formula surrounds each hair strand with moisture rich ingredients and age-defying antioxidants for intense rejuvenation.
- Hair is noticeably shinier and smoother with a younger, repaired appearance.
